TelnetPhone Terms and Conditions and Service Agreement (Step 4)

TelnetPhone Voice over the Internet Protocol service is an Internet phone service delivered through your high-speed Internet access provider. The TelnetPhone is NOT your traditional telephone service, it is an extension of your Internet service. Your traditional telephone service is regulated by CRTC. TelnetPhone Service is not subject to any Canadian regulation today and does not follow the traditional telephone rules and regulations. 911, 900 and operator-assisted services are NOT available on TelnetPhone. Your TelnetPhone Service is offered on a month-to-month basis. A valid credit card number must be provided at the time you sign-up for the TelnetPhone Service. ***To enable Long Distance service, you authorize AE Electronics Corp. to automatically charge your card for a minimum of \$20 or your defined amount from time to time. Long distance service will be deducted from this prepaid deposit balance at the end of each chargeable call ended. When the prepaid balance reaches the preset low level (\$5), you authorize AE Electronics Corp. to charge you card with the preset amount automatically to continue your long distance service.** The first month begins on the date the service is activated. The monthly fee is charged upon activation regardless of whether you use the service or not. The first month is prorated from the date of account activation to the end of that month. It is agreed that this Service Agreement is automatically renews subsequent terms of this Agreement on a month-to-month basis without further action by any party.

The TelnetPhone Service does not function in the event of power failure. Should there be an interruption in the power supply, the Service will not function. A power failure or disruption may require the Customer to reset or reconfigure equipment prior to utilizing the Service. Upon cancellation of your TelnetPhone service you agree to return your TelnetPhone adapter and its associated power adapter, boxes, CD, cables etc. to AEBC within 7 days. For whatever reason you fail to return all the TelnetPhone adapter items within 7 days, a \$5 per day late return charge will apply. The maximum penalty is \$79 plus applicable taxes. The TelnetPhone adapter and accessories must be returned in good working condition. You authorize AEBC to charge the applicable amount to your credit card account if returned items are damaged or missing. Notice to you of any changes to the "Terms and Conditions" shall be considered given when AEBC posts the change on www.telnetphone.ca. To keep up to date on the Terms and Conditions you agree to read the posting from time to time. Notice will be considered received by you, and such changes will become binding on the date posted, and no further notice will be given by AEBC. It is your responsibility to check the terms and conditions from time to time for updates and changes. Your signature below is the proof that you have read and agree to the above TelnetPhone service and its Terms and Conditions. You are fully aware of the limitation of the TelnetPhone service. You will not use TelnetPhone for emergency or operator assisted use. You hold AEBC harmless in all situations. You are subscribing to the TelnetPhone service as of the date below and will be using it as another Internet appliance. You authorize AE Electronics Corp. to automatically charge your TelnetPhone related fees to your credit card.
